<p>Undergraduate Transfer Credit: Students who have matriculated into a Bachelor of Music Degree Program are allowed to take two Humanities/Sciences courses (maximum of 8 credits with a grade of B- or better) at another institution and transfer the credit to their Eastman School of Music Degree Program.</p> <p>Graduate Transfer Credit: A maximum of six semester hours of graduate credit taken not more than five years before matriculation to a Master's Program at Eastman may be accepted if the subjects taken form an integral part of the student's program of study and if the student has received a grade of B or above. For Doctoral Students, the 6 credits must be for coursework beyond the 30-credit Master's Degree. Academic credit, such as Music History or Music Theory, may be eligible for transfer. Normally, no transfer credit is given for Applied Music or Ensemble taken at another institution. Students should take an official transcript and other supporting documentation, such as papers, projects, assignments, a syllabus, etc., for the courses in question to the appropriate department chair for approval. Requests coming from Doctoral students will be forwarded to the Dean of Graduate Studies who will forward them to the Graduate Professional Committee (DMA'S) and to the Graduate Research Committee (PHD'S) at the same time the student proposes his or her program of study. The Dean of Graduate Studies will review requests from Master's candidates for transfer of more than 6 total credits</p>
